Ahh...Mishraji... I want to thank you so much for the promotion!
Why don't we take a day off and go to a hotel after lunch?
Of course, I'm going to miss having a slutty secretary like you Savita...
My new office is just across the hall, Mishraji!
You can pop by for a quick fuck anytime. It's the least I can do for my favorite boss.

The Next Day...
So I have assigned three interns to be working under you for a month Savita.
At the end of the training period you will be selecting one as your personal assistant. All right.
Sure Mishraji. You can send them in after you leave.
Soon...
O-of course Savita Ma'am!
And don't forget that I will not tolerate any delays.
Did you look at the sexy sari she was wearing? I didn't hear a word she said coz I was busy staring at her breasts.
Wow, Isn't she the model who is on the ads of the company! I didn't know she worked here.
Aw... Come on guys... She's our boss!
Ha...We saw the way you were blushing when she talked to you, Vedant. You're smitten by her! Aren't you?
I-I just think she is pretty. That's all...

Err- Mrs. Patel? I was wondering whether you would like to have lunch with me today.
Oh...I'm sorry Vedant. I'd love to do that but I have an appointment with Mishraji today!
He and I have a lot of catching up to do.
Oh... Ok ma'am.
Aw...He's such a cute guy for asking me out like that.
But I'm late for my appointment with Mishraji.

I've ...ahh...heard a rumor from head office that Bade Sahib's brother Vedant has joined our office as an intern!
No one here knows his true identity so that he doesn't get preferential treatment."

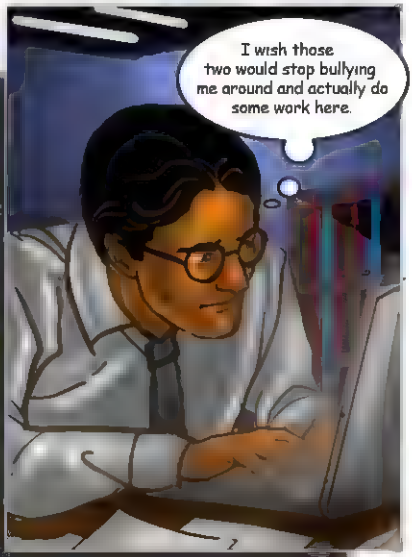
Later that night...



What's the meaning of this? You had plenty of time to finish this
Explain yourselves
She's really mad about this .. We need to do something.
It's Vedant's fault ma'am! He wanted to take all the credit so he told us that he'd do it all himself.
Wha.. That's a lie!
Err.. Yes! He wanted to impress you so he told us to leave him alone.
He's had a crush on you since the first day
Shut up Ronit
I didn't expect this from you Vedant! I thought you were a team player.
You two can leave but Vedant stay behind.

Ha-ha.. That was excellent .Now Vedant will get all the blame.
